DESIGN-CRAFT CABINETS

Lifetime Limited Warranty

Design-Craft® Cabinets are certified by the Kitchen Cabinet Manufacturers Association (KCMA). This assures you that Design-Craft Cabinets comply with the rigorous standards approved by the American National Standards Institute (ANSI).

The manufacturer of Design-Craft Cabinets warrants its cabinetry to be free of defects in material and/or workmanship under normal residential usage to the original purchaser of the cabinetry for as long as they own their home.

These warranties are only applicable to product used in residential applications within the United States and Canada and are not transferable to subsequent owners.

Our obligation under these warranties shall be limited to the repair or replacement of any part or parts that prove defective as determined by our review. These warranties do not cover the cost of installation, removal, subsequent damage, or transportation of the defective product, regardless of who performs the work.

These warranties shall become void if products are misused, abused, mishandled, improperly stored, changed, modified or subjected to extreme temperatures or extreme moisture levels, acts of God or the effects of normal wear and tear. This warranty does not apply to Thermofoil, Acrylic or Melamine products that discolor, de-laminate or bubble if installed without the use of properly installed heat shields adjacent to appliance or fixtures such as ovens or lights that generate high temperatures. These warranties do not apply to cabinetry ordered and purchased unfinished.

Natural woods vary in color and exhibit color changes as they age. Cabinet colors darken or lighten over time due to sunlight, smoke, household cleaners and other environmental conditions. Painted product may eventually have visible cracking around the joint areas. These variations are considered the natural characteristics of the material in relation to their environment and are not covered under these warranties. The manufacturer of Design-Craft Cabinets reserves the right to substitute discontinued product with the most similar styling, wood species/material and color available at the time your claim is submitted.

These warranties are the exclusive warranties of the manufacturer of Design-Craft Cabinets and are in lieu of all other warranties, expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose.

These warranties give you specific legal rights. You may have other rights which vary from state to state.

To obtain performance under these limited warranties, first contact your authorized Design-Craft Cabinets retailer, who will arrange for an inspection. A dated sales receipt as proof of purchase is required to obtain benefits from these warranties. If a retailer is unavailable, please write to: Warranty Department, Design-Craft Cabinets c/o Elkay Wood Products Co. at the address noted at bottom of page, with an explanation of the defect.

These warranties are effective on product manufactured on or after January 3, 2000. The manufacturer's normal operating procedures and policies apply to the administration of these warranties.

In keeping with our policy of continued product improvement, the manufacturer of Design-Craft Cabinets reserves the right to change product specifications without notice.
